

# Time for Change

Mötley Crüe

I heard some kids telling me  
How they've lost all the faith in the way  
They've been talking world peace  
And the war's in the streets

The lines on their faces so deep  
A revolution, or reach out  
And touch the day  
We're overdue child

Change  
Now it's time for change  
Nothing stays the same  
No it's time for change

I feel the future in the hands  
Of our youth will be safe  
No more lies  
Old, tired fools tell our future  
With tarot cards, and lie of crime

The lines on their faces so deep  
A revolution, or reach out  
And touch the day  
We're overdue child

Change  
Now it's time for change  
Nothing stays the same  
No it's time for change

I'll change  
I'll change  
Not tomorrow but today

Change  
Now it's time for change  
Nothing stays the same  
No it's time for change
