Mogwai

Of all I knew, her held too few.
And would you stop me, if I try to stop you.

Old songs stay 'til the end.
Sad songs remind me of friends.
And the way it is, I could leave it all
And I ask myself, would you care at all.

When I drive alone at night, I see the streetlights as fairgrounds
And I tried a hundred times to see the road signs as Day-Glo.

Old songs, stay till the end.
Sad songs, remind me of friends.
And the way it is, I could leave it all
And I ask myself, would you care at all.
