

## Yes! I Am a Long Way from Home

**Mogwai**

'Cause this music can put a human being in a trance like state  
and deprive it for the sneaking feeling  
of existing. 'Cause music is bigger than words and wider than p  
ictures. If someone said that Mogwai  
are the stars I would not object. If the stars had a sound it w  
ould sound like this. The punishment  
for these solemn words can be hard. Can blood boil like this at  
the sound of a noisy tape that  
I've heard. I know one thing. On Saturday, the sky will crumble  
together (or something)  
with a huge bang to fit into the cave.
