

Do Me Right

Mohombi

I shouldn't have asked you for a dance,
I shouldn't have given you a chance
You're in my arms and I'm losing my senses Girl
I run my fingers through your hair
I'm place the moment that we share,
Your body wanna give up and surrender oh
Normally I'd be running, something about you holds me back
And I don't know why, don't know why,
Imma close my eyes

Do me, do me right, do me
Baby I'm yours for life
Do me, do me right, do me
Ooh-eyo you let me on fire
Ooh-eyo your love I require
I close my eyes
Do me, do me right, do me, do me tonight.

Flash your ways up on my sense
And now I'm taking like a man,
Pull you up girl whenever you falling, yeah,
I never felt a love like this
I trade my kingdom for a kiss
You got me trapped and I'll never escaping
Normally I'd be running, something about you holds me back
And I don't know why, don't know why

Imma close my eyes
Do me, do me right do me
Baby I'm yours for life
Do me, do me right do me
Ooh-eyo you let me on fire ooh-eyo
