Who's in your bed in your bed mohombi, mohombi, mohombi x2

Bad baby, bad lady Everybody knows and Trop that booty like it's Raining on the floor Baby wine on that sweat Make the wet from head to toe But you know you know Who's gonna take you home That body so hot that I Have to let it go You're free like a bird but Your wings out on the floor Grab somebody shawty Shawty anythings is yours But who but who but who But who who who

Who's in your bed in your bed mohombi, mohombi, mohombi x4

Move baby, move lady Light it up and fly It's a dirty situation keep Flirtin with the night And the beat's so Seductive now take me on a ride I know I know who's Gonna take you home That body so hot that I Have to let it go You're free like a bird but Your wings out on the floor Grab somebody shawty Shawty anythings is yours But who but who but who But who who who
