## **In Your Head**

Mohombi

She's waiting for her man to go to work Then calls me on the phone saying he's such a jerk I feel like a thief in the day and a thief in the night But it's just a fight Why why why don't he treat you right He should be the one to apologize We're going upstairs... then the phone rings I hear your husband ask "Is someone in the back, who's that who's that who's that " In your head In your head Mohombi Mohombi Mohombi Who's in your head In your head Mohombi Mohombi Mohombi He ain't falling for your lies He got a private eye But I pass him in the sky He's tryna look through your blinds What is your report to your man Is he really should have listened while he had that chance You told him what you like and what you hate And now I stole your heart and it's way too late You really really didn't have the business Now I'm all up all up all up in your business Now you know who this is Fulfilling all your wishes In your head In your head Mohombi Mohombi Mohombi Who's in your head In your head Mohombi Mohombi Mohombi Just say my name Just say my name I feel your pain right I feel your pain right Told the girl to be quiet quiet If they hear your voice they'll be a riot riot Your man's outside with them dudes waiting...
