

# Miss Me

Mohombi

Lady, I don't wanna dance with nobody but you  
If you don't believe me (mamma) let me just work on your body to prove

You see shorty got it all  
6 inches left  
Shorty got them on  
My mac lost, lips wet  
Kiss me through the phone  
Or better yet spend a lot  
And kiss me in the 'morn  
You're gonna miss me when I'm gone

It's been a rough week  
Another drink, please  
I'm walking the floor,  
That's when you do your entrance, sexy movements  
You knock me off shore

Girl it seems like you need company  
I can tell by the look in your eye  
Could you possibly, exclusively  
Give me just a minute of your time?

Lady, I don't wanna dance with nobody but you  
If you don't believe me  
Let me just work on your body to prove  
You're going to miss me when I'm gone  
Miss me when I'm gone  
Miss me when I'm gone tonight  
I'm going to miss you when you're gone  
Miss you when you're gone  
Miss you when you're gone tonight

I'd like a tropic  
No one can top it  
We running the floor tonight  
Your swag is so sick  
You got me homesick  
Three o'clock and we're out

Girl it seems like you need company  
I can tell by the look in your eye  
Could you possibly, exclusively  
Give me just a minute of your time?

Lady, I don't wanna dance with nobody but you  
If you don't believe me  
Let me just work on your body to prove  
You're gonna miss me when I'm gone  
Miss me when I'm gone  
Miss me when I'm gone tonight.  
I'm gonna miss you when you're gone  
Miss you when you're gone  
Miss you when you're gone tonight.

Hey shorty, how that body work  
Let me see that body jerk

Let me get behind it  
Snap it, claim it like I found it first  
Throw that thing off in reverse  
Slap that thing off in the dirt  
Bring up and over just enough to see under your skirt  
Damn, short, you know what to do  
And I don't wanna dance  
With nobody else but you  
See they may be a 10  
But next to you girl, they a 2  
And you gonna wanna take me home  
Once she see just what I'm on

Lady, I don't wanna dance with nobody but you  
If you don't believe me  
Let me just work on your body to prove

Lady, I don't wanna dance with nobody but you  
If you don't believe me  
Let me just work on your body to prove  
You're going to miss me when I'm gone  
Miss me when I'm gone  
Miss me when I'm gone tonight  
I'm going to miss you when you're gone  
Miss you when you're gone  
Miss you when you're gone tonight

Hey! Oh! Hey!  
Hey! Oh! Hey!
