

Starships

Mohombi

Let's go to the beach, each
Let's go get away
They say, what they gonna say?
Have a drink, clink, found the bud light
Bad girls like me, is hard to come by
The patron own, let's go get it on
The zone own. Yes, I'm in the zone
Is it two, three? Leave a good tip
I'ma blow off my money and don't give two shits

I'm on the floor, floor
I love to dance
So give me more, more, 'till I can't stand
Get on the floor, floor
Like it's your last chance
If you want more, more
Then here I am

Starships were meant to fly
Hands up, and touch the sky
Can't stop, 'cause we're so high
Let's do this one more time

Starships were meant to fly
Hands up, and touch the sky
Let's do this one last time
Hands up...
Higher than any other
Higher than any other
Higher than any other

Jump in my hoopty hoopty hoop, I own that
And I ain't paying my rent this month, I owe that
But my could you want, and my could you like
Dance our life, there's no end in sight
Twinkle, twinkle little star...

Now everybody let me hear you say ray-ray-ray
Now spend all your money 'cause today payday
And if you're a g, you a g-g-g
My name is onika, you can call me nicki

Get on the floor, floor
Like it's your last chance
If you want more, more
Then here I am

Starships were meant to fly
Hands up, and touch the sky
Can't stop, 'cause we're so high
Let's do this one more time

Starships were meant to fly
Hands up, and touch the sky
Let's do this one last time
Can't stop...
Higher than any other

Higher than any other
Higher than any other

Starships were meant to fly
Hands up, and touch the sky
Can't stop, 'cause we're so high
Let's do this one more time

Starships were meant to fly
Hands up, and touch the sky
Let's do this one last time
Can't stop...
Higher than any other
Higher than any other
Higher than any other
