

# Starships

Mohombi

Let's go to the beach, each  
Let's go get away  
They say, what they gonna say?  
Have a drink, clink, found the bud light  
Bad girls like me, is hard to come by  
The patron own, let's go get it on  
The zone own. Yes, I'm in the zone  
Is it two, three? Leave a good tip  
I'ma blow off my money and don't give two shits

I'm on the floor, floor  
I love to dance  
So give me more, more, 'till I can't stand  
Get on the floor, floor  
Like it's your last chance  
If you want more, more  
Then here I am

Starships were meant to fly  
Hands up, and touch the sky  
Can't stop, 'cause we're so high  
Let's do this one more time

Starships were meant to fly  
Hands up, and touch the sky  
Let's do this one last time  
Hands up...  
Higher than any other  
Higher than any other  
Higher than any other

Jump in my hoopty hoopty hoop, I own that  
And I ain't paying my rent this month, I owe that  
But my could you want, and my could you like  
Dance our life, there's no end in sight  
Twinkle, twinkle little star...

Now everybody let me hear you say ray-ray-ray  
Now spend all your money 'cause today payday  
And if you're a g, you a g-g-g  
My name is onika, you can call me nicki

Get on the floor, floor  
Like it's your last chance  
If you want more, more  
Then here I am

Starships were meant to fly  
Hands up, and touch the sky  
Can't stop, 'cause we're so high  
Let's do this one more time

Starships were meant to fly  
Hands up, and touch the sky  
Let's do this one last time  
Can't stop...  
Higher than any other

Higher than any other  
Higher than any other

Starships were meant to fly  
Hands up, and touch the sky  
Can't stop, 'cause we're so high  
Let's do this one more time

Starships were meant to fly
