

Break Her Down

Moist

It never happened never will
Its not a memory
there's no way to prove this isn't real
Never happened never
Your not a victim I'm not to blame
You've seen my honest smile
My pretty face and all my gentle ways
Never happened never
She knows its a sin
Break him down break her down again
Its a sin
Force him down force her down again
If you play quietly
I'll let you go
If you play quietly
No one here will ever ever know
Never happened never
She knows its a sin
Break him down break her down again
Its a sin
Force him down force her down again
So please remember me
I never meant to tell you lies
So please remember me
The one who stroked your hair and dried your eyes
I never wanted this to be
I never wanted this to be so
I never wanted more
I never told you lies
I never wanted more
I'm just a boy never wanting never
She knows its a sin
Break him down break her down again
Its a sin
Force him down force her down again
