

## Break Her Down

Moist

It never happened never will  
Its not a memory  
there's no way to prove this isn't real  
Never happened never  
Your not a victim I'm not to blame  
You've seen my honest smile  
My pretty face and all my gentle ways  
Never happened never  
She knows its a sin  
Break him down break her down again  
Its a sin  
Force him down force her down again  
If you play quietly  
I'll let you go  
If you play quietly  
No one here will ever ever know  
Never happened never  
She knows its a sin  
Break him down break her down again  
Its a sin  
Force him down force her down again  
So please remember me  
I never meant to tell you lies  
So please remember me  
The one who stroked your hair and dried your eyes  
I never wanted this to be  
I never wanted this to be so  
I never wanted more  
I never told you lies  
I never wanted more  
I'm just a boy never wanting never  
She knows its a sin  
Break him down break her down again  
Its a sin  
Force him down force her down again
