

Breathe

Moist

save
save me from this
wandered around the town
all the thousand things
i might miss

and you
think well suffer much
think well close our eyes
just to see the light
pass us by

with tomorrow coming
hope that i dont
let you down again
said im so glad to be here
does it mean a thing
if only i could breathe
what you breathe
if only i could see what you see

sit
well take our time
watching the flowers grow
all the friends weve known say
goodbye

and you
did you suffer much
did you close your eyes
just to see the night
rush on by

gathered all around you
hope that we dont
let you down again
i said im so glad to be here
does it mean a thing
if only i could breathe
what you breathe
if only i could see what you see

said im so glad to be here
does it mean a thing

if only i could breathe
what you breathe
if only i could see what you see
if only i could just believe a thing
