T.v.a.b.

Thinking about the past now thinking of you and me always together playing and kissin behind the tree round and round , hand in hand walking down the street singinthe songs of love you liked ! so im writing this song to say

Ti voglio ancora bene sai with all my heart , with all my soul restiamo ancora insiene noi I will never lie, i wont make you cry

Im writing this song for you my baby hoping that youll come by and i would like to kiss your tender lips im dreaming of you everynight im searching in my self to salve this point of loveliness but now i know you find my love well stay together again

Ti voglio ancora bene sai with all my heart , with all my soul restiamo ancora insiene noi I will never lie, i wont make you cry

I believe in our love i have a dream ill promisse you all my life... i believe in our love and now youll see ill care for you all the time

Ti voglio ancora bene sai with all my heart , with all my soul restiamo ancora insiene noi I will never lie, i wont make you cry
