

The Gong Song

Molella

Bye bye
get ready
let's go
verse
tonight we're gonna party
leave your problems out of here
then you can feel the magic
do you wanna get down
and when the fun gets started
all your troubles disappear
we're gonna have a party tonight
i know that you got it
don't hide it

chorus

let's get the party started
everybody
come one and
sing this song
then throw your hands up in the air
and wave'em like you just don't care
people clap your hands
now people clap your hands
let's go
