

Hear My Song

Molly Hatchet

Well I'm going such a long way out of here
Well I'm going such a long way out of here
But if you see me coming
I know someday I'll dry your tear

Baby, I've been on the road too long
Baby, I've been on the road too long
But if you feel me coming
I know someday you'll hear my song.

Hear my song, someday you'll hear my song
Hear my song
Hear my song
Someday
Lord my baby's been doin' me wrong
Wake up in the mornin' and I'll be gone
Oh now honey it won't be long
I know someday you'll hear my song.

Listen, listen to my song
When you feel me comin'
I know someday you'll hear my song.

Hear my song, someday you'll hear my song
Hear my song
Hear my song
Someday
