

# Hide Your Heart

Molly Hatchet

Johnny saw her ridin' on a streetcar named desire  
His fate was sealed  
She could see him comin' like a hundred other liars  
It was no big deal

Rosa had a lover on the shady side of town  
Tito, he was king of the streets  
She was his possession like a jewel on his crown  
Johnny better run, better run

Better hide your heart, better hold on tight  
Say your prayers 'cause there's trouble tonight  
When pride and love, battle with desire  
Better hide your heart 'cause you're playin' with fire

The ride was over but the story doesn't end  
He took her heart  
She looked him in the eye, said they couldn't meet again  
You could see the trouble start

The word went out that Rosa's messin' with someone  
It was on the street  
Tito looked for Johnny with a vengeance and a gun  
Johnny better run, better run

Better hide your heart, better hold on tight  
Say your prayers 'cause there's trouble tonight  
When pride and love, battle with desire  
Better hide your heart 'cause you're playin' with fire

Johnny better run, better run

Johnny's holdin' Rosa on a rooftop in the night  
As time stood still  
Couldn't hear him comin' till he had them both in sight  
You could feel the chill

A shot rang out like thunder and the blood was on her hands  
With nothing won  
When someone lies there dyin' lovers finally understand

Better hide your heart, better hold on tight  
Say your prayers 'cause there's trouble tonight  
When pride and love, battle with desire  
Better hide your heart 'cause you're playin' with fire

Johnny better run, better run
