

Tequila Sunrise

Molly Hatchet

It's another tequila sunrise
Starin' slowly 'cross the sky
Said goodbye
He was just a hired hand
Workin' on the dreams he planned to try
The days go by

Ev'ry night when the sun goes down
Just another lonely boy in town
And she's out runnin' 'round

She wasn't just another woman
And I couldn't keep from comin' on
It's been so long
Oh, and it's a hollow feelin'
When it comes down to dealin' friends
It never ends

Take another shot of courage
Wonder why the right words never come
You just get numb
It's another tequila sunrise
This old world still looks the same
Another frame, mmm
