## **Tequila Sunrise**

## **Molly Hatchet**

It's another tequila sunrise Starin' slowly 'cross the sky Said goodbye He was just a hired hand Workin' on the dreams he planned to try The days go by

Ev'ry night when the sun goes down Just another lonely boy in town And she's out runnin' 'round

She wasn't just another woman And I couldn't keep from comin' on It's been so long Oh, and it's a hollow feelin' When it comes down to dealin' friends It never ends

Take another shot of courage Wonder why the right words never come You just get numb It's another tequila sunrise This old world still looks the same Another frame, mmm
