

Like No One's Watching

Molly Sandén

Wash off my make-up,
throw my clothes on the floor.
Drinking straight from the bottle
and unlock the door.
Heart's beating faster,
I can't wait no more
for you-ou-ou-ou.

My body is screaming
and my mind's on a trip.
Getting harder to hold back,
gotta bite my lip.
If there's a limit,
I'm breaking it
for you-ou-ou-ou.

I'll dance like no one's watching,
no one's watching, no one's watching.
Make love like no one's judging,
no one's judging, no one's judging.
And so imperfectly perfect I give me to you
to you-ou, you-ou, to you.

Leave all the lights on,
got nothing to hide.
My heart is wide open, so step inside.
Talk to my body, 'cause I'll lose my mind
for you-ou, you-ou, for you.

I'll dance like no one's watching,
no one's watching, no one's watching.
Make love like no one's judging,
no one's judging, no one's judging.
And so imperfectly perfect I give me to you
to you-ou, you-ou, to you.

I'll dance like no one's watching,
no one's watching, no one's watching.
Make love like no one's judging,
no one's judging, no one's judging.
And so imperfectly perfect I give me to you
to you-ou, you-ou, to you.

The way you look at me.
The way you're loving me.
The way you look at me, baby.
Your love has told me to love.

I'll dance like no one's watching,
no one's watching, no one's watching.
Make love like no one's judging,
no one's judging, no one's judging.
And so imperfectly perfect I give me to you
to you-ou, you-ou, to you.

Like no one's watching.
Like no one, no, no one's watching, ooh.

You-ou, you-ou, oh yo
