

# Why Am I Crying

Molly Sandén

I don't miss your dirty clothes on the floor  
No one leaves the lights on anymore  
The towels are hanging just where they should  
It's drop dead quiet in my neighborhood

I'm not that fragile  
I'm not gonna break  
Love's so overrated

I'm not gonna need  
Not gonna need  
Not gonna need you if I fall  
So why am I crying?  
I'm not gonna miss  
Not gonna miss  
Not gonna miss  
Not gonna miss you, not at all  
So what am I doing here on the floor crying?

I don't need to love those who cheer me up  
I can live without that kind of stuff  
You don't have to wake me with a kiss every day  
I'm tired of roses anyway

I'm not that fragile  
I'm not gonna break  
Love's so overrated

I'm not gonna need  
Not gonna need  
Not gonna need you if I fall  
So why am I crying?  
I'm not gonna miss  
Not gonna miss  
Not gonna miss  
Not gonna miss you, not at all  
So what am I doing here on the floor crying?

So don't you worry about me  
Go on and enjoy being free

I don't miss your dirty clothes on the floor

I'm not gonna beg  
Not gonna crawl  
Not gonna need you if I fall  
So why am I crying?  
I'm not gonna miss  
Not gonna miss  
Not gonna miss  
Not gonna miss you, not at all  
So what am I doing here on the floor  
Doing here on the floor crying?
