Being Is Bewildering

Human being Being human Hands free Nothing touches me Transmit, remote, unseen, unknown. She's glad to be so very happy. We've placed your call into a queuing system. Listen to the pretty musik play let it numb your fragile system She had a friend to call her own. But now she spends her time alone What of the cost of growing up Put me on hold to shut me up. Just being is bewildering Disconnect me from what is mine Call waiting, waiting on the other line. At you leisure dear. Come get your pleasure here I'm so glad to be so very happy. And if you need something, anybody, anything. Just being is bewildering. Call me dial 1 o v e. Just being is bewildering. I'll do as I please, I won't get down on bended knees. Kiss and. make up. don't you. hang up. Stay and. play out. the whole scene. Try to stay calm. how long. Do you. hold on. do you. dare to dream. Just being is bewildering Just being is bewildering Just being is bewildering Just being is bewildering
