

# Cannot Contain This

Moloko

Don't put yourself down  
Don't be hard on yourself  
You didn't do wrong, baby don't  
Blame yourself

I know how you feel  
I've been there myself  
It's what the devil my fare  
What do you care  
Can you control yourself?

I won't stick around  
To watch you get colder  
I know I couldn't be told,  
Don't suppose  
Now I'm a little older

The fault was all mine  
I don't blame you if you blame me  
I know I was wrong  
I just cannot contain this

I just cannot, just cannot contain this  
I just cannot, just cannot contain this  
I just cannot, just cannot contain this  
I just cannot, just cannot contain this  
Just cannot contain this  
Just cannot contain this  
I just cannot contain this  
Just cannot contain this  
I just cannot contain this

And if it's a crime  
Then can you explain to me  
Where do I belong

I just cannot contain this

Can, not  
Con tain this  
Just cannot con tain this  
Just cannot contain this.....

I just cannot, just cannot contain this  
I just cannot, just cannot contain this  
I just cannot, just cannot contain this  
I just cannot, just cannot contain this  
I just cannot contain this  
Just cannot contain this  
I just cannot contain this  
Just cannot contain this  
I just cannot contain this

Can, not  
Con tain this  
Just can not...
