

Remain the Same

Moloko

Change my face.
But it won't erase, I changed my heart.
When my soul changed hands.
What if, when I find myself?
Made new plans.
I don't really like myself?
Underhand.
What if when I look inside?
Change my name.
I don't like much what I find?
But I remain the same.

Change my name I remain the same.
Change my name I remain the same.
Try again, another new beginning.

Change my course.
But I can't change my ways D I V O R C E.
Will you count the days.
What if, when I find myself?
Change my tune.
I don't really like myself?
But I stand on shifting stand.
What if when I look inside?
When I change my name.
My name was changing hands.
Baby you'll never understand.

Change my name I remain the same.
Change my name I remain the same.
Try again, another new beginning.

If I, if I could just.
Slip from the net.
Try to forget.
I hang my head.
In regret.
If I, if, if I could just.
But it's too much.
Slip from my skin.
I try again.
Another new beginning.

Change my name I remain the same.
Change my name I remain the same.
Try again, another new beginning.
Change my name I remain the same'
I remain the same. I remain the same. I remain the same.
