## The Time Is Now

You're my last breathe You're a breathe of fresh air to me Hi, I'm empty So tell me you care for me

You're the first thing And the last thing on my mind In your arms I feel Sunshine

On a promise A day dream yet to come Time is upon us Oh but the night is young

Flowers blossom In the winter time In your arms I feel Sunshine

Give up yourself unto the moment The time is now Give up yourself unto the moment Let's make this moment last

You may find yourself Out on a limb for me Could you expect it as A part of your destiny

I give all I have But it's not enough And my patience is shot So I'm calling your bluff

Give up yourself unto the moment The time is now Give up yourself unto the moment Let's make this moment last

Give up yourself unto the moment The time is now Give up yourself unto the moment Let's make this moment ... last

And we gave it time All eyes are on the clock But time takes too much time Please make the waiting stop

And the atmosphere is charged. In you I trust. And I feel no fear as I Do as I must.

Give up yourself unto the moment The time is now

Give up yourself unto the moment Let's make this moment last.

Give up yourself unto the moment The time is now Give up yourself unto the moment Let's make this moment last

Tempted by fear And I won't hesitate The time is now And I can't wait

I've been empty too long The time is now The tender night has gone And the time has gone Let's make this moment last And the night is young The time is now. Let's make this moment last.

Give up yourself unto the moment The time is now Give up yourself unto the moment Let's make this moment ... last.
