

Dance And Dense Denso

Molotov

Brincos, jalones, codazos y empujones
De caca recorde los famosos pisotones
Ojos morados patada en los cojones
en el slam entre matudos y pelones

Santo Tomas de los pelos parados
A narizazos su pie le dejaste madriado
Cayo el pedo, cayo de mi lado

Dance, dense denso todo empanizado

Faster than the rayo
We's the new freestylers a caballo
Bone-break-dance intenso let go
Dance and dense, denso

Dance, dance and dense, denso (3x)

Excuse me if you hear me getting too loud
It's that I get kind of crazy when you get me around a crowd

Put a codo in you puto
You get knocked out
Come on sugar foot
You're gonna end up getting plowed.

Come on get rowdy, come on get bloody,
Come on get sweaty, hit somebody

If you got the balls
Come and take a chance
and brace yourself cuz it's some dense ass dancing

Faster than the rayo
We's the new freestylers a caballo
Bone-break-dance intenso let go
Dance and dense, denso

Dance, dance and dense, denso (3x)

Dance, dance, dance, dance
Dense denso, dense denso

Dance, dance, dance, dance
Dense denso, dense denso

Dance, dance, dance, dance
Dense denso, dense denso
