

Undertow

Molotov

As the beat begin to drop and my heart begin to stop,
Focus your attention from the toe to the top
Of my head as it be boppin' with my eyes closed
Cuz I like yo how the groove flows

What stipulates being a free man
You can close me in and throw me away the key, man
But where you hide that key you better hide it well,
And if you tell somebody tell that person not to tell

'Cuz you don't know what you got until it's gone,
Shit let's see what happens at the end of the millenium
People's gone crazy getting kinda tribal,
Middle-east, world war 3, it's in the Bible.

Gonna let it flow just like and undertow
FLOW--GOTTA LET IT FLOW....FLOW
Keep it down low you're upstream without a row
LOW, LOW...YA GOTTA LET IT LET GO

Si la tierra esta hecha pa' que el hombre domine,
Porque es un pecado cuando entierro mi semilla.
Si los compás de Jesús eran casi vagabundos
Porque nos echan mierda caminando por su mundo
Vamos, hablemos de un gran rey

Who giveth life to the man, so they can take it away
It's your life, so live it, esto es para ti so get it,
If something is trying to get you down don't let it.
There's always gonna be somebody on top

Don't get jealous don't get mad,
just give'em their props.
Gotta a lot of people who would like to see us stop
Pero Dios nos regalo el Hip-hop

Gonna let it flow just like and undertow
FLOW--GOTTA LET IT FLOW....FLOW
Keep it down low you're upstream without a row
LOW, LOW...YA GOTTA LET IT LET GO

Gonna let it flow just like and undertow
FLOW--GOTTA LET IT FLOW....FLOW
Keep it down low you're upstream without a row
LOW, LOW...YA GOTTA LET IT LET GO

Gonna let it flow just like and undertow
FLOW--GOTTA LET IT FLOW....FLOW
Keep it down low you're upstream without a row
LOW, LOW...YA GOTTA LET IT LET GO
