

Girlish Boy

Momus

I was born to be a girlish boy
And my lover is a boyish girl
And if everyone could be this way
We could change the world

In the rough and tumble of boisterous horseplay
I will probably cry
For my girlfriend is a boyish girl
And I am a girlish boy

(Goddamn it you fucker I wanna be alone!)

(Goddamn it you fucker I wanna be alone!)

I was born to be a girlish boy
And my lover is a boyish girl
And if everyone could be this way
We could change the world

In the rough and tumble of boisterous horseplay
I will probably cry
For my girlfriend is a boyish girl
And I am a girlish boy

(Goddamn it you fucker I wanna be alone!)

(Goddamn it you fucker!)

I was born to be a girlish boy
And my lover is a boyish girl
And if everyone could be this way
We could change the world

In the rough and tumble of our lovemaking
I will probably cry
For my girlfriend is a boyish girl
And I am a girlish boy

(Goddamn it you fucker I wanna be alone!)

(Goddamn it you)

(Goddamn it you fucker!)

(Goddamn it you fucker I wanna be alone!)

In the rough and tumble of our lovemaking
I will probably cry
For my girlfriend is a boyish girl
And I am a girlish boy
