

Shawnette
She wanted it
From the boy down in the boiler room
Shawnette
She had Tourettes
She said, "Goddamn, motherfucker, your ass is mine"
Shawnette
She had lips
To say, "Goddamn, motherfucker, your ass is mine"
There she goes again
This time for the young meat
Shawnette Jackson gonna do it with a tall boy, short boy, fat boy, skinny boy
Shawnette
She had two new pets
She duct taped those bitches together like dynamite
Yeah
Smoking that killer
Tweaking that cc
Just to get her from bleep day to bleep day
There she goes again
This time for the young meat
Shawnette
She couldn't get it
So she drank that naughty head and she tied his ass up
Tied him up
