

## Take Me Away

Mondo Generator

Up too long  
Escape light  
All that I want is to feel right  
I'm lost again, I don't care  
Where's tomorrow?  
It should be anywhere  
All that I've got is everything  
All that I've got is gone  
Take me away, take me away from here  
Take away, take it all dear  
It's not you that I want  
You'll never know what I need  
Yes it's gone, all that I gave you  
The nothing I had and everything is yours  
Take me away
