

# Hand In Your Head

Money Mark

One two, one two three four

You could be my best friend  
Sitting on the book ends  
Look guy, you're just a king  
You know you're missing something

I've got my hand in your head  
I've got my hand in your head

I've read about you in books  
Your kingdom's always full  
And if you did know the truth  
You wouldn't promise to tell

I've got my hand in your head  
I've got my hand in your head  
I've got my hand in your head  
I've got my hand in your head  
I've got my hand in your head  
And I'm pulling out all of your mind

I waited for you to say  
All the things that you think  
And now that we're here alone  
You can remember to blink

I've got my hand in your head  
I've got my hand in your head  
I've got my hand in your head  
I've got my hand in your head  
I've got my hand in your head  
And I'm pulling out all of your mind

You could be my best friend  
Sitting on the book ends  
Look guy, you're just a king  
You know you're missing something

I've got my hand in your head  
I've got my hand in your head  
I've got my hand in your head  
And I'm pulling out all of your mind

And I'm pulling out all of your mind  
And I'm pulling out all of your mind  
And I'm pulling out all of your mind  
And I'm pulling out all of your mind
