Pretend To Sleep

Money Mark

Talk to me Did I see your eyes start to open? Stay complete I know that you hear what I've spoken

Pretend to sleep It's your only guarantee, ooh Pretend to sleep It's your security, no one can wake you

Don't fake tonight There's a touch that you always should Hold on tight Sorry if the words are missing

Pretend to sleep It's your only guarantee, ooh Pretend to sleep It's your security, no one can wake you
