

# Hold Me Forever

Money

Realize the sky the undead God  
Saving his message for the chosen one  
My sky is the same  
It's just pale and blue  
And I'm as lonely as the sun  
So wrap me up with water  
Wrap me up with something  
Do you ever know a man who could set himself straight. Oh!  
Let tomorrow trap who preaches disorder  
He's our saviour  
He's our saved  
Even if you hold me  
If you hold me forever  
I'll become bored  
Of all of this together  
You can praise and thank the lord  
For keeping us apart  
But the Lord ain't God  
He's something clever  
But God ain't smart  
Hold me forever  
Hold me forever  
Hold me forever  
Hold me forever  
Hold me forever  
Paradise could always turn to hell  
When there's someone who's in control  
In the madman in his mortal self  
He's gotta save your soul  
And to truly love everybody  
As if you ?...  
Why in the card room and everybody  
It's in the breach ?...  
Even if you hold me  
If you hold me forever  
I'll become bored  
Of all of this together  
You can praise and thank the lord  
For keeping us apart  
But the Lord ain't God  
He's something clever  
But God ain't smart  
Hold me forever  
Hold me forever  
Hold me forever  
Hold me forever, ah, ah, aha, ah  
Hold me forever  
Heaven, Heaven, Heaven  
It's real  
Heaven, Heaven, Heaven, Heaven  
It's real  
Heaven, Heaven, Heaven  
Heaven, Heaven, Heaven  
Heaven, Heaven, Heaven  
It's real  
Heaven, Heaven, Heaven, Heaven  
Heaven, Heaven, Heaven

It's real  
It's Real
