

## Letter to Yesterday

Money

I saw the merchants bore their sheds  
I sent a letter to yesterday  
It told you everything would be alright  
No  
I'm sorry but that was yesterday  
Hey  
But I was wishing I could change it  
Standing on the deck where canonballs fly  
Risking my neck  
Just to change my name?  
'Cause I love you like a son  
You're my midnight sky  
All covered in rainbows  
Hidden in light  
I'm on my knees  
'Cause I need to be broken  
I need to be right  
If I am a loser  
Then so is my life  
But I'm taking the time  
And winning the right  
To explode into pieces  
Into the night  
And come back in flowers  
In time  
As long as they're mine  
As long as they're mine  
I cursed this blessing  
That's on my name  
Oh oh oh  
Oh oh oh oh  
I cursed myself for such a fragile frame  
Oh oh oh  
Oh oh oh oh  
Though this treason that's in my eyes  
Oh oh oh  
Oh oh oh oh  
All this blood that runs in my veins  
Oh there's blood  
Oh there's blood  
Oh there's blood  
Blood  
Oh there's blood  
Oh there's blood  
Oh there's blood  
Blood  
Oh there's blood  
Oh there's blood  
Oh there's blood  
Oh there's blood  
Oh there's blood  
Oh there's blood  
Oh there's blood  
Oh there's blood  
Oh there's blood  
Oh there's blood  
Oooh
