

# If You Leave Me Now

Mónica Naranjo

If you leave me now  
Holding on to the memories  
I'll survive  
Somehow  
Baby when you're gone

Holding you close to me  
Always made me feel so right  
Love is fantasy  
Sometimes it can change your life

Tell me what are you feeling?  
Tell me you still care  
But I can't help believing  
You will not be there

If you leave me now  
Holding on to the memories  
I'll survive  
Somehow  
Baby when you're gone

If you leave me now  
Holding on to the mystery  
I can fight  
Somehow  
I will carry on

You held me in ecstasy  
Then you let me slip away  
The things that you said to me  
Made me think you'd always stay

But you can't fight the feeling  
Every night and day  
When it's over, it's over  
There's nothing I can stay

If you leave me now  
Holding on to the memories  
I'll survive  
Somehow  
Baby when you're gone

If you leave me now  
Holding on to the mystery  
I can fight  
Somehow  
I will carry on

Carry on, carry on  
Hey...! (carry on, carry on)  
Carry on, carry on  
Carry on...!

(Want to tell me) Tell me what are you feeling?  
Tell me you still care

But I can't help believing  
You will not be there

If you leave me now  
Holding on to the memories  
I'll survive  
Somehow  
Baby when you're gone

Want to tell me what are you feeling  
I will survive  
I will survive without you

Can't fight the feeling  
Can't fight the feeling no more  
Can't fight the feeling  
Can't fight the feeling no more  
Can't fight the feeling  
Can't fight the feeling no more
