

Before You Walk Out of My Life

Monica

Oh oh oh, oh yeah yes, oh oh oh, my, my

Here we are face to face
With the memories that can't be erased
Although we need each other
Things have changed, it's not the same

Sometimes it makes me wonder
Where would I be, if you hadn't discovered
Which I did, inside of me
I know there was something that we could compare

Oh well I,

Never meant to cause you no pain
I just wanna go back to being the same
Well I, only wanna make things right
Before you walk out of my life

Remembering the good times
From a portrait hung on high
It's filled with so much color
And the laughter we left behind
I made the choice and you couldn't decide
I made the choice, I was wrong you, were right
Deep down inside, I apologize

Never meant to cause you no pain
I just wanna go back to being the same
Well I, only wanna make things right
Before you walk out of my life

Though I made plans with you
To always have time for you
(Before you walk out of my life)
I guess it's true, can not live without you
Don't ever go away, ooh oh yeah

Never meant to cause you no pain
I just wanna go back to being the same
Well I, only wanna make things right
Before you walk out of my life

Never meant to cause you no pain
I just wanna go back to being the same
Well I, only wanna make things right
Before you walk out of my life

Before you walk out of my life
