

Forever Always

Monica

Forever, forever
Forever my baby

Oh baby baby, let's talk it out
'Cause you're so special and mean so much to me
Baby boy, there've been times
You dogged me out
I should have left you but stayed right by your side
I chose to love you only
But you won't let me you pushed my love away
Don't be so selfish with your love, oh oh

Forever always
I'm gonna love you until my dying day
Forever always
A love so special it'll never fade away

The other day you saw me out
You had no reason to trip or have a doubt
Baby boy, he's nothing but a friend of mine
You don't have to be afraid, yeah
If I ever lose you, I'd throw my heart away
I chose to love you only
But you're so jealous you pushed my love away
Don't be so selfish with your love, oh oh

Forever always
I'm gonna love you until my dying day
And forever always
A love so special it'll never fade away

Forever always
A love so cool it'll never, never fade away
Forever always
Oh baby, I'm gonna love you always, always, always baby

Babe, it's forever, always
It's forever always babe
It's forever, always

Forever always
Forever always
Forever always
