

# Gone Be Fine

Monica

Can't believe you would leave me this way  
Feeling kinda bad from the last things we said today  
Can't believe you would turn and walk away  
I'd know we would do this again and again

You say you love me I'll come back with I hate you  
Only takes a day to  
Realize I'm in love with you  
You say you'll leave me  
I'll come back with just stay boy  
If you dont want my love  
Then I have no choice this time

Tell me Baby what to do  
I ain't trippin' over you  
Any, Any other time  
Remember I'm gone be fine  
I, I remain the same  
I don't know what's up with you  
Any, Any other time  
Remember I'm gone be fine

You said you didn't mean it that's fine  
You wanna take it back cause your havin a change of mind  
Sometimes saying sorry won't do  
Then somedays I can't do without you

You say you love me I'll come back with I hate you  
Only takes a day to  
Realize I'm in love with you  
You say you're sober  
I'll come back with your stank boy  
If you dont want my love  
Then I have no choice this time

Tell me Baby what to do  
I ain't trippin' over you  
Any, Any other time  
Remember I'm gone be fine  
I, I remain the same  
I don't know what's up with you  
Any, Any other time  
Remember I'm gone be fine

Tell me Baby what to do  
I ain't trippin' over you  
Any, Any other time  
Remember I'm gone be fine  
I, I remain the same  
I don't know what's up with you  
Any, Any other time  
Remember I'm gone be fine

Tell me Baby what to do  
I ain't trippin' over you  
Any, Any other time  
Remember I'm gone be fine

I, I remain the same  
I don't know what's up with you  
Any, Any other time  
Remember I'm gone be fine

Tell me Baby what to do  
I ain't trippin' over you  
Any, Any other time
