

I Miss Music

Monica

I miss Michael and Whitney and Tina and James
And the Fugees and Lauryn, I miss Kurt Cobain
I miss Stevie, I wonder would things be the same
I miss music, hey, hey

I miss watching the countdowns when videos played
I miss One Love, imagine if purple still rained?
I miss TLC, Aerosmith, Biggie and Sting
I miss music, hey, hey

Oho, what am I gonna sing to?
Oho, what am I gonna sing to?

What about all the children who never knew Pac?
Ever Aaliyah, Jodeci, N' Sync or Nas
Ever Boyz II Men, Babyface, Bobby or Faith
I miss music, hey, hey

Oho, what am I gonna sing to?
Oho, what am I gonna sing to?

I know I'm not the only one
Who misses how the records spun
And sang to every song they played hey, hey, yeah
Oho, what am I gonna sing to?
Oho, what am I gonna sing to?
Oho, what am I gonna sing to?
Oho, what am I gonna sing to?
Without you
