

If U Were the Girl

Monica

Let's kick a little something out there for all them cars that
be bumpin. Uh uh uh MO wassup

If you were the girl would you stay trippin' if you were the gi
rl would you deal
with all stress, heartache, lonely nights while you are out lat
e is it fair. if you were the
girl would you be a rider if you were the girl could you still
try to work it out talk it out
while i'm stayin out trying to play around

Would you deal with me come home every night when i want to and
when you ask where
ive been i just give you the same excuse, knowing that i was up
in the club with my girls
like i aint got a curfew smelling like liquor and i'm shy cuz y
ou're still sittin up now
could you deal with that if you were the girl

If you were the girl would you stay trippin' if you were the gi
rl would you deal
with all stress, heartache, lonely nights while you are out lat
e is it fair. if you were the
girl would you be a rider if you were the girl could you still
try to work it out talk it out
while i'm stayin out trying to play around

Would you start an argument or just let it all ride and get som
e sleep tonight and
then bring it up soon as you open your eyes, cuz its been on yo
ur mind but i can do a whole
story on why i was late hopin you believe me and just don't mak
e you up and wanna leave me
but can you take all this and still and still love me

If you were the girl would you stay trippin' if you were the gi
rl would you deal
with all stress, heartache, lonely nights while you are out lat
e is it fair. if you were the
girl would you be a rider if you were the girl could you still
try to work it out talk it out
while i'm stayin out trying to play around

I'm down with you baby, i'll ride for the cause, even through a
ll the stress you still
my dawg and if anything should happen to you i'm right there yo
u know all you got to do is
call, i'm down wit you baby i'll ride for the cause even throug

h all the stress you still my
dawg and if anything should happen to you i'm right there you k
now all you gotta do is....

If you were the girl would you stay trippin' if you were the gi
rl would you deal
with all stress, heartache, lonely nights while you are out lat
e is it fair. if you were the
girl would you be a rider if you were the girl could you still
try to work it out talk it out
while i'm stayin out trying to play around
