Inside

Inside... Inside... Inside... Inside... Last night when I saw you With somebody new You asked how I've been And I, I told you I was fine And as you held each other close I smiled and said it's good to see you And you didn't know Inside I'm cryin' baby Inside I'm dyin' baby I don't wanna let you see Baby what you've done to me So I keep it all inside (inside) Inside (inside) Sometimes when you call me I don't know what to say You say I've been on your mind And we'll talk again sometime You say you're glad we can be friends I say I'm over all the heartache But it's all pretend Inside I'm cryin' baby Inside I'm dyin' baby I don't wanna let you see Baby what you've done to me So I keep it all inside Inside Outside I'm smilin' baby Outside these tears just can't be found But I'm just breaking down INSIDE Don't you know that I am dyin' baby (dyin' baby) I don't wanna let you see Baby what you've done to me So I'll keep it all INSIDE Yeah, I'm cryin' baby Inside I'm dyin' baby I don't wanna let you see Baby what you've done to me So I'll keep it all inside I'll just keep it all inside Inside
