

Knock Knock

Monica

Its funny how the tables turn turn turn turn

so upset

This that hot new

Uh huh

Yeah

New Monica

Its funny how the tables turn now its you running after me

Didn't wanna spent quality time, didn't think I would ever leave

You got way to comfortable, now you say you want me in your life

Cuz I packed up all my shit and im moving in my new place tonight

So don't you come

Knock Knock Knock

Stop knocking don't come knocking at my door

Ring Ring Ring

Let the phone stop I don't want you calling me no more

Boy it's a dangerous game to try and play a chick like me

Wanna go out and do your thang I will be out for ya count to three

So do just what you want, anytime that you really like

I put a payment on my place, you be sleeping alone tonight

So don't you come knocking

Knock Knock Knock

Stop knocking don't come knocking at my door

Ring Ring Ring

Let the phone stop I don't want you calling me no more

I used to be so gone

You were some one I could lean on

My life support system

And I thought I couldn't breathe ah ah

When you used to leave yep yep

I see you put yo clean on

Big chains gold teeth and yo gleam on

All night wanna be gone

Wanna tell me stay home like I got a ah ring on

Now you say im not your wife right right

So why should I be chillin goodnight goodnight

Now pack up my things for a flight

I got a place and it's fixed up nice

So don't come knocking at my door

I got company comin around four

So wo wo

I don't want you calling me no more

Knock Knock Knock

Stop knocking don't come knocking at my door

Ring Ring Ring

Let the phone stop I don't want you calling me no more

Changed my locks

Took my things

Cant come in

Changed my locks

Took my things
Cant come in
I don't want you calling me no more

Hey this Monica leave a number after the beep
Aye yo Mo pick up the phone man, this old raggedy cellular phone sound like
an old alarm clock old switch board line
phone. Do you even have call waiting on this joint. Call me back ya late for
the studio, this Miss.
