

# Let's Straighten It Out

Monica

Sit yourself down boy and talk to me  
Tell me what's on your mind  
Don't keep on telling me everything's okay  
Cause if it was then you wouldn't be crying  
You been acting real funny when I see you lately  
Sitting around poutin' all day long  
Now how in the world do you expect me to understand  
When I not even know what's wrong

Straighten it out, let's straighten it out  
Let's straighten it out  
(Baby)  
Let's straighten it out  
(Out....)  
Let's straighten it out

For the last few days when I saw you baby  
Oh I admit something just wasn't right  
It's so many things going through my head  
I didn't want to start another fight  
But if your tired of people being bothered baby  
In the world we'd be all alone  
Instead of being apart of a problem baby  
You and me otta be getting along, yeah....

Straighten it out, let's straighten it out  
Let's straighten it out  
(Baby)  
Let's straighten it out  
(Out....)  
Let's straighten it out

Straighten it out, Let's straighten it out  
(We need to straighten it out)
