

# Like This and Like That

Monica

I just can't keep on going  
I'm falling in love with you  
I need to know if you want me for sure  
We messed around for too long  
I need a commitment  
To make me feel I belong to someone

So if you like to  
Then this is your chance to I'm moving on without you  
Gotta find another lady  
You say you want me  
Then you better show me  
Come 'on and get to know me  
And then you will find that I want you  
And I feel the same  
We ought to be sure I know by now  
But if we can prove are love

Like this and like that I gonna move along  
Like this and like that (yeah)  
Like this and like that (like this and like that)  
Like this and like that (ooh)  
Like this and like that I'm gonna move along

You are that special to me  
Don't want to lose you, no  
I've gotten use to the way we hang out  
No way to understand me  
You said one day we'll be  
But I can't wait around to see

So if you like to  
Then this is your chance to  
I'm moving on without you  
Gotta find another lady  
You said you want me  
Then you better show me  
Come on and get to know me  
And then you will find that I want you  
And feel the same  
We ought to be sure I know by now  
But if we can prove are love  
Like this and like that I'm gonna move along

I want you, and I feel the same  
We ought to, be sure I know by now  
But if we, can prove are love  
Like this and like that I'm gonna move along

I want you, like and like that.  
We ought to, like and like that.  
But if we can prove are love  
Like this and like that I'm gonna move along (2x)
