

# Man Who Has Everything

Monica

Hard  
Hard hard livin'  
Always jumpin', always steepin', always giving  
Your jewelry and your cars  
They satisfy these women  
Or should I say girls  
Cuz they're all around like children  
But that ain't what you need no no

You deserve to love someone  
Who's gonna love you back  
(love you back boy)  
Cuz even a man who has everything still needs something money can't buy  
Maybe you deserve someone  
Who's gonna have your back  
A woman who has her own and don't need nothing  
Nothing but you, baby

But the question is  
Can you give that, baby?  
Can you share your feelings?  
Keep all your money and give up your heart  
Cuz it's never been easy no no  
I think me requires more than your credit card  
But you gon get just what you pay for

You deserve to love someone  
Who's gonna love you back  
Cuz even a man who has everything still needs something money can't buy  
Maybe you deserve someone  
Who's gonna have your back  
A woman who has her own and don't need nothing  
Nothing but you, baby

Someone to push your heart to the limit yea yea  
Someone who knows when you're hurting  
And how to make it better  
Need somebody who gon tell the truth baby  
Even when your own day come steady  
Stay with you forever

You deserve to love someone  
Who's gonna love you back (oh oh oh yea)  
Cuz even a man who has everything still needs something money can't buy  
(you need it baby)  
Maybe you deserve someone  
Who's gonna have your back  
A woman who has her own and don't need nothing  
Nothing but you, baby

You deserve to love someone  
Who's gonna love you back  
(you you you you)  
(Uh, nothing but you baby)  
Cuz even a man who has everything still needs something money can't buy  
Maybe you deserve someone  
Who's gonna have your back

A woman who has her own  
And don't need nothing  
Nothing but you, baby  
Nothing but you, baby
