

Time to Move On

Monica

I tried to be a good woman
But it wasn't good enough
But I did everything for you baby
The pleasure was all mine
But I know things are different
The proof is in your eyes
Cuz I don't see the fire
You're hurt

It's time (time to move on)
Time to move on
When the love is gone oh yea
I tell you it's time
Time to move on
When the love is gone oh oh oh

Now when we used to argue
At least you used to look at me oh oh
But see, now we lay next to each other
And we don't even speak
Boy, I cry
Arguing like nothing's wrong
And you know it's wrong
But there's no need in pulling fingers
Love has let us both both both both

It's time (time to move on)
Time to move on
When the love is gone oh yea
Gotta tell you it's time
Time to move on
When the love is gone oh yea yea

God knows I tried (yes, I tried)
Tried to make it last
God knows I tried (yes, I tried)
Tried my very best
And I'm not you know
You know no no no

I say it's time (time to move on)
It's time to move on oh oh oh
When the love is gone
Oh, I had to let him go
And I'm happy about it now
I tell you it's time
Time to move on
When the love is gone oh oh oh
Said it's time to move on
When the love is gone
