Oh...oh...yeah Oh...oh...oh... Listen to me You deserve all the heartache and the pain (Yes, you do) Don't come cryin' talkin' 'bout he's playin' games (No, no, no) You should know life is what you make of it (No, no) Regardless (No, no) who he is If you put up with it you deserve it Why you wanna be with him 'Cause all you ever do is cry He'll tell you that you ain't enough He's tearin' you apart inside And when you need a ear, I listen To everything you have to say I tell you every day to leave But it seems you'd rather stay And girl, a man could only do what you let him And girl, it don't do you no good to just sweat him And girl, you can't just let him abuse you I'll tell you what you should do But if you choose not to you deserve You deserve all the heartache and the pain (So when you're hurt) Don't come cryin' (Don't) talkin' 'bout he's playin' games (Maybe you should know) You should know life is what you make of it Regardless who he is If you put up with it you deserve it Now that you've a guy who'll kiss But you use him as your strength To get out of a bad situation To get out this relationship I promise you he'll never change I know you really want him to So all the things he promises I hope you don't expect him to And girl, a man can only do what you let him And girl, it don't do you no good to just sweat him, oh, no, no And girl, you can't just this man abuse you I'll tell you what you should do But if you choose not to then you deserve You deserve all the heartache and the pain (Oh, oh, so when you're hurt, oh) Don't come cryin' talkin' 'bout he's playin' games (And you should know)

You should know life is what you make of it

Regardless who he is

Peep the whole scene and whatever's goin' on around me Burned out, clutchin' my pillow, stuck in the County You hate when I step off with honeys and Who sayin' I want a baby chase, you can't relate Pump your brakes, mami, please 'cause you buggin' me out And treat me worse than them streets, it's like

doggin' me out

But I could look into your eyes and see you achin' inside

You hope I da-da-da-da-da-da You deserve (And so you deserve)

You deserve all the heartache and the pain (Oh, oh, heartache and the pain) Don't come cryin' (Don't come cryin') talkin' 'bout he's playin' games (No, no, no, no) You should know life is what you make of it Regardless who he is (Regardless) If you put up with it, ooh, then you deserve it

Listen to me Realize that I can make you see Do you wanna live a lie La-la-la-la-la-la (So listen)

You deserve all the heartache and the pain (Oh, oh, so when you hurt) Don't come cryin' talkin' 'bout he's playin' games (And you should know) You should know life is what you make of it (Life is what you make of it, oh) Regardless who he is (Regardless) If you put up with it you deserve it
