

# Hard To Say Goodbye

Monifah

It's hard to say goodbye  
Goodbye, goodbye, goodbye

I thought if I found some new friends  
It would be nice to lose your love from my mind  
It still hurts sometimes  
But my heart's telling me that it's time for new strategy  
'Cause when you left me  
You took from me, you took all the love in my life  
And it's hard to say goodbye

[Chorus]  
It's hard to say goodbye  
Goodbye  
(Say goodbye, say goodbye)  
Goodbye  
(Say goodbye, say goodbye)  
Goodbye

[Chorus]

I cherished your love  
Just like mama taught me too  
She taught me to love you right  
I made you my life  
(You were my life)  
I wanted to be your wife forever  
Whatever it was that I did or didn't do  
I really wish I knew  
I wish I had a clue  
'Cause I'm really missing you in my life

There used to be sunny days  
Took all my love away  
I can't get my mind off you  
I don't know what to do  
I don't know what to do, but it's

[Chorus: x 2]

Goodbye
