

# You Don't Have To Love Me

Monifah

You don't have to love me (you don't have to love me)  
You don't have to want me (anymore)  
You don't have to need me (you don't have to need me)  
'Cause I've got love on my side  
And It's gonna be all right  
Baby, I had a feeling that you were cheatin' on me  
But blinded by love I couldn't see  
I guess everybody plays the fool sometimes  
But it's cool, yeah, it's cool  
You don't have to worry about me  
You don't have to love me (you don't have to love me)  
You don't have to want me (anymore)  
You don't have to need me (you don't have to need me)  
No, no, no, no, baby  
'Cause I've got love on my side  
And it's gonna be all right, hey, hey  
Do you believe that what goes around comes around  
Just you wait and see, 'cause I'm not worried 'bout a thing any  
more  
It doesn't follow me, it doesn't follow me, can't you see it  
I don't need ya, ever need  
'Cause you don't, I said you  
You don't have to love me anymore (you don't have to love me)  
No, no, no, no, no, no, no, no (anymore)  
You don't have to want me (you don't have to need me)  
'Cause baby, baby, 'cause I've got love on my side  
And it's gonna be alright, yeah, yeah  
(You don't have to love me)  
You don't have to want me (anymore)  
You don't (you don't have to need me)  
You don't have to need me  
'Cause I've got love on my side  
I've got love, I've got love, I've got love, I've got love  
Love me no, no, I've got love, I've got love, I've got love  
On my side
