

You've Got My Heart

Monifah

Chorus:

You've got my heart
You are the only one for me
Ooh yeah, baby
I knew from the start
Hear what I'm sayin' baby, yeah
Cuz you're the only one for me
I love you in a special way, hey, hey

Monifah:

Oh, I need you right by my side
Cuz don't you know you make me happy
Boy with you is where I wanna be
And your sweet love keeps me satisfied
And now that I'm your only lady
I so glad to have you baby

Chorus

Monifah:

You know that I never wanna hurt you
Just let me be the one to share your love
Cuz you're the only one I'm thinkin' of

Joya Owens:

Where will I go, where would I be
If you ever took your love from me

Monifah:

See I'm your woman and you are my man
Don't you understand

Chorus

I'm in love wit' you baby
Can't you see
I want you beside me everyday
There's no need to worry
I'm here to stay

Joya Owens:

Baby, can't you see
Our love is meant to be
Stay right by my side
Cuz boy I'll keep you satisfied

Chorus x2

You've got my heart
The way you touch me
The way you hold me
The way you please me
The way you taste me
Ooh yeah, baby
I knew from the start
The way you hold me
The way you touch me

The way you tease me
The way you please me
You're the only one for me
I love you in a special way, hey, hey
Chorus 'til fade
