

Even Eternity Will End One Day

Monkey Business

This can't wait
what will be her husband like
or date
She wants to make the right choice of card
Fake Sibyl on the Astro line
tries hard

Will it be this time for real?

Read the sign
charge it to your credit card
on line
He will forget all his toys
and bring wine
He will stay with you all night
and be kind

Will it be this time for real?

Boys changed into men
and not for better
She used to have the boys
all to herself
Time is running out
It is now or never
and Sibyl on the line
she understands

She can't wait
